Cutter 'N' Rake

Introducing Nature's Pond Cutter 'N' Rake, a 3-in-1 tool that includes interchangeable rake and cutter heads so that you can cut weeds, then pull and rake them out of your water for good! The rake also comes with a floater option to rake off floating aquatic vegetation, or you can take the float off the rake head and have it sink into the water to rake weeds that are lower down.

It's a safe, cost effective and sustainable alternative to using algacides or herbicides to kill weeds. When you kill weeds and unwanted aquatic vegetation, the dead weeds just sink to the bottom of the water body and cause more harm than good. There is nowhere for the dead and decaying matter to go, so it just accumulates as muck and sludge at the bottom of the water. It also zaps the oxygen from the water and can cause massive fish kills as the decaying debris begins to decompose.

If you have used pond chemicals to get rid of your aquatic vegetation, then apply Nature's Pond Conditioner (the 1st step in our 3-step program) 24 hours after you have initiated this weed kill to eat away at this dying decaying debris. You can then continue with the final step of our 3-step program and simply remove the unwanted aquatic vegetation from your water with the Cutter 'N' Rake.

A little bit of work to get the weeds out but as they say - Short term pain for long term gain!

The typical life of a tool is determined by the conditions and level of use. Frequent, daily use will wear out a tool faster than infrequent, occasional use. Defects in materials or workmanship typically arise early in the life of a tool. Our limited 1-year warranty does not cover normal wear, lost parts, damage inflicted intentionally by the user, or failures due to accident, misuse, abuse, negligence, alteration or modification other than its intended use. Koenders Water Solutions Inc and Natures Pond Inc. sole liability and the purchaser's sole remedy for a failure of products under this warranty shall be limited to the replacement or repair of the product, or the issuance of a credit therefor, at the option of Koenders Water Solutions Inc. and Nature's Pond Inc. (no automatic deductions by the purchaser are allowed).

Koenders Water Solutions Inc. and Nature's Pond Inc. assumes no liability for special, incidental or consequential damages caused by a product's failure to conform to the above written warranty, except where required by law. Koenders Water Solutions Inc. and Nature's Pond Inc. warranty as set forth above is the sole and exclusive warranty. There are no other warranties expressed or implied. No person is authorized to give other warranties.

For your safety: Wear work gloves while assembling and handling the cutter to protect your hands from the very sharp, serrated blades.

To Order: Model: NP - Cutter N Rake
 Product SKU: 30109
 UPC Code: 888935-00318-7

- Included: Rake Head, Cutter Blade (set of 2), 11 ft lightweight, reinforced aluminum handle, 25 ft nylon rope, float with Velcro straps
- Limited 1 Year Warranty
